Total \$5945.00	
Pump System \$3600.00	
Total \$9545.00	

B. W. Smith Well Drilling does not guarantee water quantity or water quality. Actual well depth and casing length may vary from estimate. Bill will be figured on actual depth and casing length. Pump system prices based on well within 50' of house with pressure tank located just inside wall where line comes through. Prices do not include trenching and backfilling. If 8/2 wire is needed, price will increase.
